

Call to action!

Ms. Matlou Setati, CGCSA

**consumer
goods council**
of south africa
Helping members trade better.

SA-EU Strategic Partnership
The Dialogue Facility

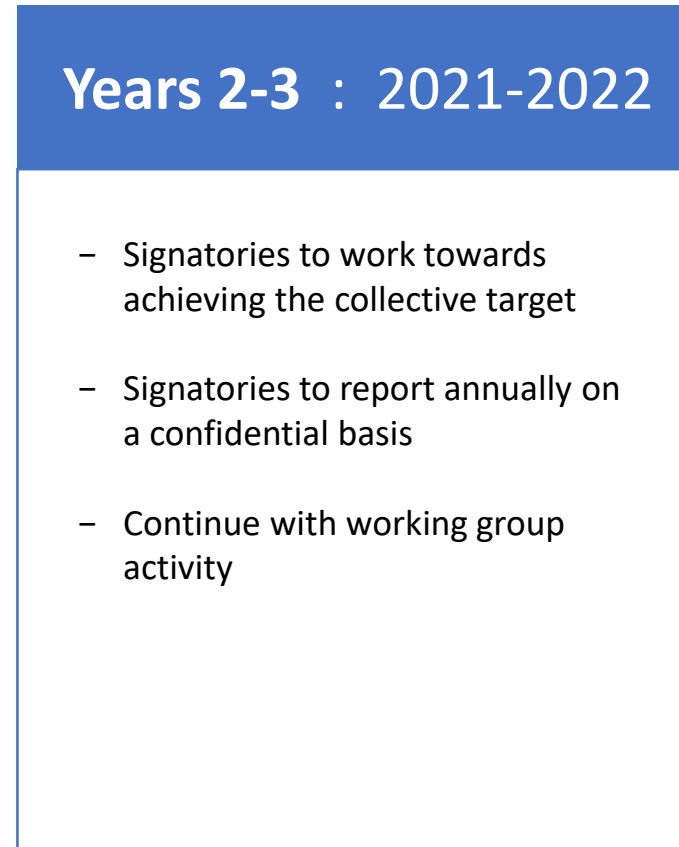

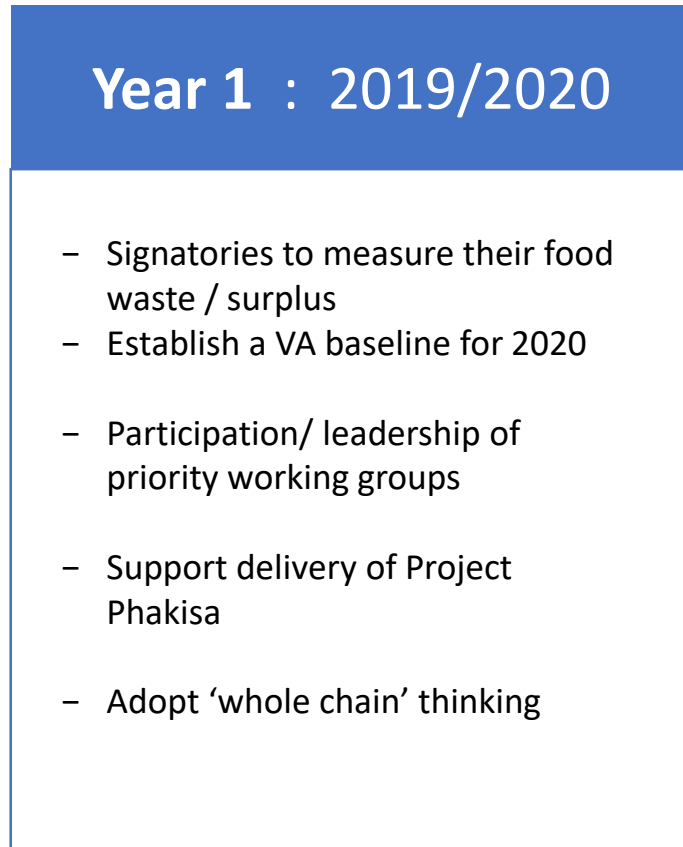

the dti

Department:
Trade and Industry
REPUBLIC OF SOUTH AFRICA

Signatories commit to:

- Adopt the SDG 12.3 target to reduce food waste by 50% by 2030
- Adopt the approach 'Target, Measure, Act'.
- Collectively to overcome the challenge of food waste in South Africa, by: sharing best practice, learning from each other and offering expertise

The role of signatories & contributions to the working groups

Dr. Richard Swannell, WRAP

Department:
Trade and Industry
REPUBLIC OF SOUTH AFRICA

Benefits to Signatories

1. Working Groups & Projects to identify and realise operational improvements and financial savings
2. Technical support on measurement and reporting
3. Benchmarking against anonymised other businesses
4. A common South African framework for collective reporting
5. Improve performance through clear targets
6. Positive for brand reputation
7. Support from technical experts
8. Vehicle to engage with colleagues & deliver cost and environmental savings

Supply Chain Working Group example: 100 potatoes in hotel waste

Signatory Commitment

- **Target:** Agree at Board Level to work as part of the Voluntary Agreement to deliver the targets
- **Measure:** Commit to measure food waste and help suppliers and customers to measure
- **Act:** Using the measurement & underpinning research & insight to reduce food waste.
- **Report:** report annually on progress confidentially
- Approach deals with any “Free-Riders”

Associate Signatories

Those who can support signatories deliver the targets e.g. Trade Associations, NGO's, related research programmes

They commit to:

- **Target-** agree to support businesses deliver the targets
- **Measurement-** agree to support effective measurement in businesses
- **Report-** report on their activity in support of the VA every year

Small Group Discussions
